Company Logo &  
Address Area will  
Start 0.375 inch  
from Top & Right

The diagram illustrates the layout of an envelope. It features a white background with a red outer border and a green inner border. A text box in the upper left corner, with a grey border, contains the text 'Company Logo & Address Area will Start 0.375 inch from Top & Right'. Two blue arrows originate from this box: one points upwards to the top edge of the green border, and the other points leftwards to the left edge of the green border. On the right side, three horizontal arrows point from text labels to the corresponding lines: a black arrow for 'BLEED LINE' (the red border), a red arrow for 'CUT LINE' (the red border), and a green arrow for 'GREEN IS THE SAFETY LINE' (the green border).
